30 DS

GVWR (Gross Vehicle Weight Rating) is the maximum permissible weight of the unit when fully loaded. It includes all weights, inclusive of all fluids, occupants, cargo, optional equipment and accessories. For safety and product performance do NOT exceed the GVWR.

GCWR (Gross Combined Weight Rating) is the maximum permissible loaded weight of your motor home and any towed trailer or towed vehicle. Actual GCWR of this vehicle may be limited by the sum of the GVWR and the installed hitch receiver maximum capacity rating; see hitch rating label for detail.

GAWR (Gross Axle Weight Rating) is the maximum permissible weight, including cargo, fluids, optional equipment and accessories that can be safely supported by each axle.

UVW (Unloaded Vehicle Weight)* is the typical weight of the unit as manufactured at the factory. It includes all weight at the unit's axle(s), including full fuel, all fluids and LP Gas. The UVW does not include cargo, fresh potable water, additional optional equipment or dealer installed accessories.

*Estimated Average based on standard build optional equipment.

CCC (Cargo Carrying Capacity)** is the amount of weight available for fresh potable water, cargo, passengers, additional optional equipment and accessories. CCC is equal to GVWR minus UVW. Available CCC should accommodate fresh potable water (8.3 lbs per gallon). Before filling the fresh water tank, empty the black and gray tanks to provide for more cargo capacity.

** Estimated average based on standard build optional equipment.

Each Forest River RV is weighed at the manufacturing facility prior to shipping. A label identifying the unloaded vehicle weight of the actual unit and the cargo carrying capacity is applied to every Forest River RV prior to leaving our facilities.

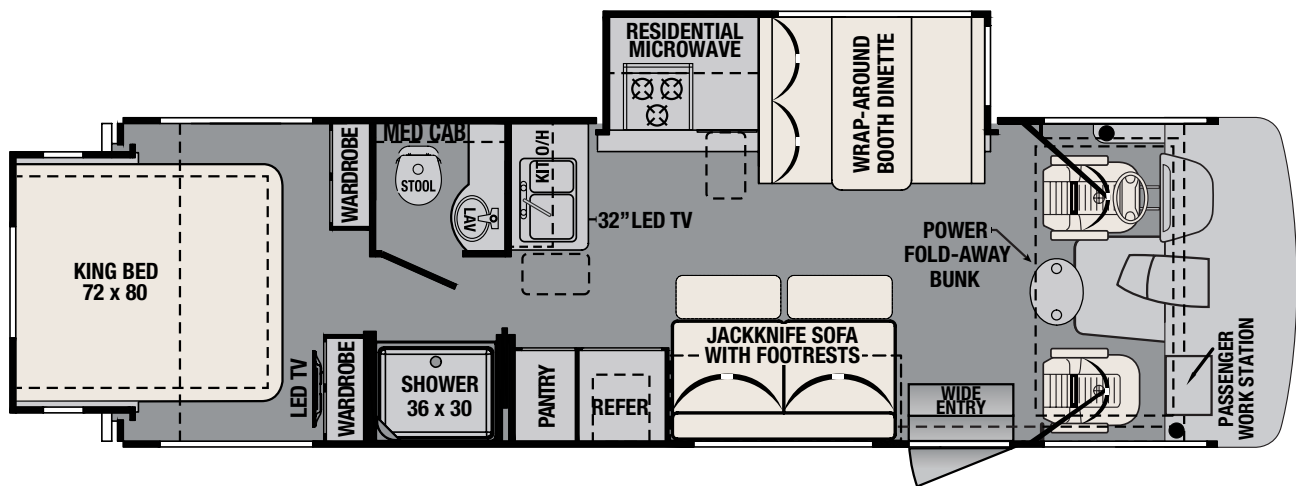

The load capacity of your unit is designated by weight, not by volume, so you cannot necessarily use all available space when loading your unit.

Actual towing capacity is dependent upon your particular loading and towing circumstances, which includes the GVWR, GAWR and GCWR as well as adequate trailer brakes. Please refer to the Operator's Manual of your vehicle for further towing information.

Styling Appointments

FR3's crossover styling offers even more room for your sleepy guests by offering deep slideout rooms, a deep wrap-around booth dinette (converts into a comfort lounge) and sofas that are all equipped with integrated footrests [A1,A2]. A power front bunk is hidden against the ceiling above the driver/passenger seats. With the push of a button, you can convert your Class A motorhome into the styling of a Class C motorhome up front [B].

The ergonomic cockpit cab area [B] features both a power front sun visor and manual pull-down side shades for extra privacy and comfort. The molded automotive style dash has an integrated side and rear vision backup camera display for enhanced safety. A pull-out laptop station with a 110v outlet for power is available at the passenger's seat.

"Super Storage" exterior cargo compartment at the rear of every FR3 model provides cavernous molded storage bins for your belongings [C].

The exterior plumbing bay is equipped with an outside shower, compartment light, black tank flush and enclosed water hook ups. Forest River, Inc.'s Arctic Package is standard on the FR3 for cold weather camping [D].

The FR3 crossover motorhome combines the best features, family friendly livability and affordability of an easy to drive Class C motorhome with the space, convenience and styling of a Class A motorhome.

The FR3 crossover motorhome offers flush floor construction for a smooth transition from the cockpit to the living area. Driver and passenger seats have the ability to become part of the entertainment rooms with an easy swivel. The carpet-free surface also provides a pet-friendly environment. Radius ceilings throughout the coach increase headroom for a more open, relaxed living space. Contemporary furnishings and deep sliderooms enhance the residential appeal. Upgraded LED interior lighting throughout extends the life of your batteries substantially.

The media center provided in the dash includes an AM/FM/CD/DVD/Bluetooth/USB that can stream

music from a smart phone or bluetooth-capable device indoors or out. You can also mirror link the navigation from most smart phones directly to the dash media center. The kitchen includes a deep double bowl stainless steel sink, microwave, 3-burner cooktop and a large oven. Oversized dinette seating and windows offer an excellent view with side windows in the deep slideout for cross-ventilation.

The FR3 crossover motorhome features a well-lit bedroom with a large rear window for plenty of natural light and a reading light over the King-sized bed [72" x 80" residential bed]. A flip-up bedroom TV provides additional hidden storage.

REST LIKE ROYALTY IN A
King-sized bed.

PRE-DELIVERY INSPECTION FACILITY

20,000 square feet of quality assurance. The bare essentials for a premium product. This state-of-the-art facility gives immediate daily feedback to production for quality assurance in every unit built.

Forest River, Inc. encourages our customers to purchase their Forest River products from a local dealership whenever possible for the following reasons:

- 1) Forest River, Inc. dealers are independently owned and operated businesses so priority service and scheduling is at their discretion and is often provided to customers that purchased their unit at that dealership.
- 2) Purchasing locally allows customers to establish meaningful relationships with a dealer, enhancing the RV experience through assistance with product questions, user tips or RV regulations for your state or country, and much more!
- 3) Canadian customers must meet requirements to bring an RV purchased out of the country to their home. These requirements may involve additional inspections and certifications, taxes and fees. Your local Canadian Dealer is a professional at meeting these requirements.
- 4) Scheduling timely warranty repairs and adjustments through a local dealership provides far greater flexibility and convenience to you, the customer!

It is the goal of Forest River, Inc. that all of our RV owners fully enjoy the RV experience and that customer satisfaction meets or exceeds their expectations!
